What is bail? IV

These are short articles about legal issues that may interest you. They are not legal advice. You should always get individual legal advice for your situation.

This is the fourth article about bail. In this article we will look at what happens if you breach (break) your bail undertaking. We will also look at whether you can apply for bail again if you were refused bail on an earlier occasion and whether you can change your bail conditions.

If you breach (break) certain bail conditions you commit an offence

If you breach (break) certain bail conditions you commit a criminal offence. If you breach other bail conditions you do not commit a criminal offence but you can have your bail cancelled or your bail conditions changed.

You commit a criminal offence if you:

- Don’t attend court when you are required to do so by your bail undertaking (unless you have a reasonable excuse)
- Did not attend court on the day you were required to and then don’t attend court as soon as possible afterwards
- Breach any “protective” bail conditions (for example, conditions not to communicate with a person, not to approach a person or be within a certain distance of where they live or work or study)

As mentioned above, if you do not attend court when you are required to, this is an offence, unless you have a good reason for not attending court. You should bring evidence of the good reason to court. For example, if you were very sick and could not go to court, you should bring a medical certificate to court to show this. If you can persuade the court that you had a good reason for not coming to court on the day you were supposed to, you may avoid being charged with the offence of breach of bail.

If you have missed your court date, you must attend court as soon as you can after that. If you don’t come to court as soon as you can, this is another offence. If you miss your court date you should try to go to court the next day.

If you breach bail by not attending court on your court date, you can be arrested and put into police custody until the police can take you to court. The police must take you to court as soon as possible.

The maximum penalty for the offence of breaching bail is time in prison of not more than 3 years and a fine of up to \$10,000.

The offence will appear on your history for court. If you are charged with an offence on a later occasion, and bail is being considered, the fact that you have previously been convicted of breaching bail will be taken into account in deciding whether you can be given bail. It may make it harder for you to get bail.

If you breach (break) other bail conditions it is not an offence but you could have your bail cancelled or changed

If you breach (break) any of the other conditions attached to your bail undertaking (apart from the ones discussed above) you have not committed an offence but you may have your bail cancelled or changed.

Some examples of breaches of bail that are not criminal offences are not reporting to a police station when you are required to do so, or not obeying the curfew that has been put on you.

The court can cancel your bail (you then go into custody) or it can change your bail conditions.

Can I apply again if I am refused bail? Can I apply to change my bail conditions?

There are only certain situations where you can:

- apply for bail again if you were previously refused bail by the court or
- apply to change your bail conditions.

These situations are as follows:

- You did not present your case for bail properly on the earlier occasion when you were refused bail or given bail. An example might be if you applied for bail yourself and did not tell the Magistrate something important which would have persuaded the Magistrate to give you bail. Or you did not tell the Magistrate something important and you are put on bail conditions that you cannot comply with.
- New facts have been discovered, or there are new or changed circumstances since you were given bail or refused bail on an earlier occasion. An example might be if one of your bail conditions is to report to a police station 3 times per week, but you are admitted to hospital for a month. In these circumstances, you will probably be allowed to change your bail conditions.
- If you were given home detention bail and you have complied with it for a month or more. In these circumstances, you may be allowed to change your bail conditions.

In the fifth and final article we will look at some of the new changes to the Bail Act that started on 1 November 2022.

Apakah itu jaminan? IV

Ini adalah artikel pendek mengenai perkara undang-undang yang mungkin menarik untuk anda. Ini bukan nasihat undang-undang. Anda mesti selalu mendapatkan nasihat undang-undang sendiri untuk keadaan anda.

Ini adalah artikel ke-empat tentang jaminan. Dalam artikel ini kamu akan melihat apa yang berlaku jika anda melanggar janji jaminan anda. Kami juga akan melihat apakah anda boleh memohon jaminan lagi jika anda ditolak jaminan sebelumnya dan apakah anda boleh tukar syarat jaminan.

Jika anda melanggar syarat jaminan tertentu anda melakukan kesalahan

Jika anda melanggar syarat jaminan tertentu anda melakukan kesalahan kriminal. Jika anda melanggar syarat jaminan lain anda tidak melakukan kesalahan kriminal tetapi jaminan anda boleh dibatalkan atau syarat jaminan anda ditukar.

Anda melakukan kesalahan kriminal jika anda:

- Tidak menghadiri mahkamah apabila anda diharuskan untuk melakukannya dengan jaminan anda (kecuali anda mempunyai alasan yang pantas)
- Tidak menghadiri mahkamah pada hari yang anda diharuskan dan kemudian tidak menghadiri mahkamah secepat mungkin selepas itu
- Melanggar syarat “pelindung” jaminan (misalnya, syarat untuk tidak bicara dengan seseorang, tidak merapat dengan seseorang atau berada dalam jarak tertentu dari tempat mereka tinggal atau bekerja atau belajar)

Seperti yang dibilang di atas, jika anda tidak menghadiri mahkamah ketika anda diharuskan, ini adalah satu kesalahan, kecuali anda mempunyai alasan yang pantas untuk tidak hadir ke mahkamah. Anda harus bawak bukti alasan yang baik ke mahkamah. Contohnya, jika anda sakit dan tidak dapat pigi ke mahkamah, anda harus bawak medical certificate untuk tunjukan ke mahkamah. Jika anda boleh menyakinkan mahkamah bahawa anda mempunyai alasan yang pantas untuk tidak hadir ke mahkamah pada hari yang seharusnya anda datang, anda boleh mengelak dari pada tuduhan kesalahan melanggar jaminan.

Jika anda keliwatan hari bulan mahkamah anda, anda harus hadir mahkamah secepat mungkin selepas itu. Jika anda tidak datang ke mahkamah secepat mungkin, ini adalah satu lagi kesalahan. Jika anda keliwatan hari bulan mahkamah anda, anda harus coba pergi ke mahkamah pada hari berikutnya.

Jika anda melanggar jaminan dengan tidak datang ke mahkamah pada hari bulan mahkamah anda, anda boleh ditangkap dan dimasukkan ke dalam tahanan polis sampai polis boleh bawak anda ke mahkamah. Polis harus bawak anda ke mahkamah secepat mungkin.

Hukuman paling besar untuk kesalahan melanggar jaminan adalah dikurung tidak lebih dari 3 tahun dan denda sebanyak \$10,000.

Kesalahan itu akan ada di rekod mahkamah anda. Jika anda di tuduh melakukan kesalahan di kemudian hari, dan jaminan sedang dipertimbangkan, fakta bahawa sebelum ini anda telah dihukum karena melanggar jaminan akan diperhitungkan dalam memutuskan apakah anda boleh dikasi jaminan. Ini mungkin mempersulitkan anda untuk mendapatkan jaminan.

Jika anda melanggar syarat jaminan yang lain itu bukan kesalahan tetapi jaminan anda boleh dibatalkan atau ditukar

Jika anda melanggar salah satu syarat lain yang terikat pada jaminan anda (selain daripada yang dibincangkan di atas) anda tidak melakukan kesalahan tetapi jaminan anda boleh dibatalkan atau ditukar.

Beberapa contoh pelanggaran jaminan yang bukan kesalahan kriminal adalah tidak pigi buat repot di stesen polis apabila anda diharuskan melakukannya, atau tidak mengikut perintah ada dirumah waktu malam yang telah diletakkan kepada anda.

Mahkamah boleh batalkan jaminan anda (anda kemudian ditahan) atau boleh tukar syarat jaminan anda.

Bolehkan saya memohon lagi jika jaminan saya ditolak? Bolehkah saya memohon untuk tukar syarat jaminan saya?

Terdapat keadaan tertentu di mana anda boleh:

- memohon jaminan sekali lagi jika anda ditolak sebelum nya oleh mahkamah atau
- memohon untuk tukar syarat jaminan anda.

Keadaan ini adalah seperti berikut:

- Anda tidak menyampaikan kes jaminan anda dengan betul pada masa yang lebih awal apabila anda ditolak ikatkan jaminan atau dikasi jaminan. Contohnya mungkin jika anda sendiri memohon jaminan dan tidak kasitau Magistrate sesuatu yang penting yang boleh meyakinkan Magistrate untuk kasi anda jaminan. Atau anda tidak kasitahu Magistrate sesuatu yang penting dan anda dikasi jaminan yang anda tidak boleh ikut.
- Fakta baru telah ditemukan, atau ada keadaan baru atau berubah sejak anda dikasi jaminan atau ditolak jaminan pada kesempatan sebelumnya. Contohnya adalah jika salah satu syarat jaminan anda adalah untuk repot ke stesen polis 3 kali seminggu, tetapi anda masuk hospital selama sebulan. Dalam keadaan ini, anda mungkin akan diizinkan untuk tukar syarat jaminan anda.
- Jika anda dikasi jaminan tahanan rumah dan anda telah mengikutnya selama sebulan atau lebih. Dalam keadaan ini, anda mungkin diizinkan untuk tukar syarat jaminan anda.

Dalam artikel kelima dan terakhir kami akan melihat beberapa perubahan baru pada Undang-Undang Jaminan yang bermula pada 1 Novemba 2022.

What is Movember?

Movember is an annual event involving the growing of moustaches during the month of November to raise awareness of men's health issues, such as prostate cancer, testicular cancer, and men's suicide.

By encouraging men (whom the charity refers to as "Mo Bros") to get involved, Movember aims to increase early cancer detection, diagnosis and effective treatments, and ultimately reduce the number of preventable deaths.

Besides annual check-ups, the Movember Foundation encourages men to be aware of family history of cancer and to adopt a healthier lifestyle.

Using the moustache as the driving symbol of the movement, Movember focuses on the three key areas of prostate cancer, testicular cancer, and mental health & suicide prevention.

You will notice some of the men or ladies on Cocos will be participating in the month of Movember.

Geoff Bird News

Busy week for Mega birds on Cocos. First there was a Kermadec Petrel flying around the big-house gardens on Home Island. These Petrels are usually in the Pacific ocean but a few have been seen in Mauritius. Never seen on Cocos before. Now the big one, A JUVENILE COMMON CUCKOO!! Mega, never seen in Australian region before. This young bird would of come down from northern China and should of flown overland to central Africa for the winter. These Cuckoos are common in Europe and England during their summer and again fly to tropical Africa for the winter. They are the only Cuckoo bird that goes CUCKOO when calling for a mate.

Cocos “Feel Good” Stories

Not long ago, the West Island community had this idea of making animal statues out of materials that they could find and use. This was the highlight for many Cocos kids when travelling from the old jetty into the town or vice versa.

From memory there was a giraffe, an elephant, a cat and a fish.

The excitement and joy was the most beautiful feeling that was felt by the kids.

Love how the community would go beyond to find many special ways to put a smile on the kids faces.
