ELECTRONIC DISTRIBUTION LIST

Would you like to receive State Government information relating to service delivery agreements, community bulletins, shipping updates, or any general information relating to Cocos Keeling Islands?

The Cocos CRC has developed an email distribution list for those who are interested in receiving this information and it is free! Your email address remains hidden and you can unsubscribe from the list at any time.

Simply email our office cocosislands@crc.net.au to be added to the list. Please note that this distribution list will not be used to promote business.

WEST ISLAND MARKET DAY

The Cocos Islands CRC hosted another successful Market Day on Saturday 14th March 2015. A big thanks to our stall holders and those that enjoyed a range of Malay food, a sausage sizzle, cup of coffee or picked up a bargain. Your support of these events is great and very much appreciated!

COMMUNITY CALENDAR OF EVENTS

The Cocos Islands CRC is happy to include your community event/s on our website. If you would like to add your details, please contact our office. We will also include these events in each edition of The Atoll.

AUSTRALIA'S BIGGEST MORNING TEA

We are pleased to be hosting this event on Thursday 28th May. Stay tuned for more details in the future editions of The Atoll!

Thought for the Day

Stay positive always, even if you run out of reasons to be optimistic. ~ Kiplimo Chemirmir

Community Library Times Review

The Shire is currently seeking feedback from the community on the preferred opening times for the Community Libraries on both Home Island and West Island.

Both Libraries are open for 2 x 2 hour sessions per week. Current opening times are:

Home Island:

Monday: 7:00pm - 9:00pm

Thursday: 3:30pm - 5:30pm

West Island:

Monday: 6:30pm - 8:30pm

Wednesday: 3:30pm - 5:30pm

The Shire would like the community's views on their preferred 2 x 2 hour time slots per week. The Library could be open between the hours of 3:30pm - 9:00pm Monday to Friday or from 8:00am - 9:00pm Saturday.

Please provide your feedback to the Deputy Chief Executive Officer, Joanne Soderlund (Mak Kimberley), by Monday the 13th April. Joanne can be contacted either in person, by email to dceo@cocos.wa.gov.au or by calling the Shire office on 91626649.

Jokes of the Week

Baseball calls

I was by the baseball game and the umpire behind home plate kept on missing calls.

After the game I bumped into the umpire in the lot, and went over to him to have a chat, "hey I found this phone and I think it may be yours" I yelled.

"What makes you think that?" he questioned.

"Well, it says 20 missed calls!"

On the Job

A truck driver was driving along the highway when he saw a sign, "Low Underpass Ahead."

Thinking his truck could for sure make it, he drove under and got stuck.

Soon all the cars were honking their horns and shouting. Before long, a cop came and said "what's the problem, got stuck, huh?"

Thinking quickly the truck driver smiled and said "no, I didn't get stuck, I was delivering this bridge and ran out of gas."

Fast Car

A real estate agent bought a new sports car and had the engine revamped so that it would go even faster.

I asked him why he needed a car that goes 150 m.p.h.?

He chuckled and replied, "I advertise this one house as being 5 minutes from shopping and I don't want to lie!"

Pemeriksaan Masa Terbuka Library Masyarakat

Shire sedang mencari pandangan daripada masyarakat tentang masa terbuka yang sesuai untuk Library Masyarakat dikedua-dua Home Island dan Pulu Panjang.

Kedua-dua Library dibuka untuk 2 jam, 2 kali seminggu. Masa terbuka dimasa sekarang ialah:

Home Island:

Senin: 7:00pm - 9:00pm

Khamis: 3:30pm - 5:30pm

Pulu Panjang:

Senin: 6:30pm - 8:30pm

Rebo: 3:30pm - 5:30pm

Shire ingin pandangan masyarakat terhadap masa 2 jam, 2 kali seminggu ini. Library boleh dibuka diantara masa 3:30pm - 9:00pm Senin hingga Jumaat atau dari 8:00am - 9:00pm hari Sabtu.

Silahkan beri pandangan kamu kepada Deputy Chief Executive Officer, Joanne Soderlund (Mak Kimberley), pada hari Senin 13hb April. Joanne boleh dihubungi secara ketemu, secara email kepada dceo@cocos.wa.gov.au atau menelepon opis Shire 91626649.

A friendly reminder from our local Ranger...

C(K)I Ranger Services

Email: ranger@cocos.wa.gov.au

T:08 9162 6649 F:08 9162 6668

WEST ISLAND DOMESTIC CHICKEN ISSUES

Our Shire Ranger, Razali Zainiel, would like to remind West Island residents that he will be continuing to conduct Domestic Chicken Culling Program on West Island until the decrease in chickens in residential areas are noticeable. Our Ranger is also offering the use of chicken cages to West Island residents to set in their backyard.

Our Ranger will continue to monitor the number of chickens around residential areas and requests the support and cooperation of West Island residents in this program.

PERKARA AYAM PIARAAN DI PULU PANJANG

Shire Ranger kami, Razali Zainiel, ingin mengingatkan penduduk Pulu Panjang yang dia akan meneruskan untuk menjalankan program pengurangan ayam di Pulu Panjang hingga kekurangan ayam disekitaran kampung telah nyata. Ranger kami juga menawarkan kandang jipah ayam kepada penduduk Pulu Panjang untuk digunakan dibelakang kebon mereka.

Ranger kami akan menerusi untuk memperhatikan jumlah ayam disekitar kawasan kampung dan meminta sokongan dan kerjasama penduduk Pulu Panjang dalam program ini.

BOATS/BUILDING MATERIALS STORED AT HOME ISLAND GARDEN PLOTS AREA

Our Ranger would also like to remind all Home Island residents that boats and building materials are not allowed to be stored at the garden plots area at all times.

In the event of a cyclone and strong winds, these materials can be hazardous to buildings and people. It also creates a suitable breeding grounds for vermin (rats/feral cats etc.) on the Island.

The Shire Ranger would like to remind all Home Island residents that the garden plots are controlled by the shire and advise all garden plot occupiers ensure you maintain your plot clean and tidy during the cyclone season and vermin-free.

Please do not hesitate to contact Razali regarding the above issues should you have any concerns.

Thank you for your cooperation.

SEKOCI/PEKAKAS YANG DISIMPAN DIKAWASAN KEBON

Ranger kami juga ingin mengingatkan semua penduduk Home Island yang sekoci dan pekakas-pekakas bangunan tidak dibenarkan disimpan didalam kawasan kebon.

Dalam kejadian seklon dan angin kuat, alat-alat ini boleh menjadi bahaya terhadap bangunan lain dan orang-orang. Ia juga menjadi tempat yang sesuai untuk tikus-tikus, kucing-kucing dan binatang-binatang lain untuk tinggal.

Ranger Shire ingin mengingatkan semua penduduk Home Island yang kawasan kebon diawasi oleh Shire dan juga menasihati pemilik kebon untuk memastikan yang kawasannya bersih dan kemas dimasa musim seklon dan bebas daripada binatang liar.

Silahkan hubungi Pak Rani berkenaan perkara-perkara tersebut diatas jika ada soalan ataupun kekuatiran.

Terima kasi atas kerjasama semua.

'KIDZ n SPORT'

Seeking volunteers and ideas for next school holiday program. Please give feedback or comments on what you want to see happening or activities for the kids during the school holidays.

Please forward all comments and feedbacks to youth@cocos.wa.gov.au by the 25th of March.

Sedang mencari voluntir dan idea untuk program sekolah yang akan datang. Silahkan beri pendapat atau komen tentang apa yang kamu ingin lihat diadakan atau aktiviti untuk anak-anak dimasa cuti sekolah.

Silahkan kemukakan semua komen dan pendapat kepada youth@cocos.wa.gov.au sebelum 25hb March.

The Council Agenda is available online on the Friday before Council Meeting.

Cocos Keeling Islands Tourism Association
VISITOR CENTRE MANAGER
JOB VACANCY

The Cocos Keeling Islands Tourism Association is calling for applications from bright and bubbly, well presented, enthusiastic and suitably qualified applicants for the position of full time Visitor Centre Manager at the Cocos Keeling Islands Visitor Centre.

JOB DESCRIPTION

The Visitor Centre Manager is responsible for the overall management, operation and administration of the Cocos Keeling Islands Visitor Centre and its staff. The Visitor Centre Manager reports directly to the Cocos Keeling Islands Tourism Association Committee of Management and the Department of Infrastructure and Regional Development (DIRD).

MAIN DUTIES / RESPONSIBILITIES

Administration

- Manage the day to day operation, general maintenance and presentation of the Visitor Centre (VC),
- Provide a comprehensive, accurate, friendly and prompt information service to visitors to the Cocos Keeling Islands,
- Maintain VC leases, licences, assets, insurances and business name certificates,
- Maintain retail stock levels and contractual arrangements with suppliers, order and control of all merchandise and retail sales,
- Organise CKITA committee meetings, including preparation of agenda, management reports, financial reports, attending to correspondence, take and distribute minutes of each meeting,
- Establish sound accounting procedures and statistical information collection techniques,
- Regular contact with members to ensure all information provided to visitors is accurate and up to date,
- Develop and maintain the VC as a focus of communication between off-island tourism interests and on-island agencies and providers,
- Ensure all operators adhere to the 'CKITA Members Code of Conduct' and all operators have Public Liability Insurance and Business Name Registration if applicable.

Financial

- Preparation and management of the CKITA budgets, grant funding, bank accounts and financials,
- Manage the CKITA accounts to an independent audit level, including managing the audit process,
- Maintain accurate financial records of tour bookings, commission payments and VC retail sales,
- Coordinate and supervise cash handling and banking procedures,
- Preparation of fortnightly payroll and quarterly PAYG and superannuation payments,
- Manage accounts payable and receivable,
- Approve and pay all invoices, collection and invoicing of monies owed to CKITA and the cost effective financial operation of the VC,
- Prepare quarterly financial reports for submission to DIRD.
- Coordinate and supervise banking processes.
- Prepare and present general management and financial reports for CKITA committee meetings,
- Daily operations, bookings and weekly and monthly reports, payments to operators and financial management of the Bookeasy system.

Human Resources

- Represent CKITA in a professional manner at all times, in all situations, including personal and professional presence on social media.
- Maintain good relationships with key stakeholders as a representative of CKITA, by a process or by regular consultation with members.
- Deliver training to staff to ensure that members product is accurately promoted to visitors.
- Supervise staff, develop and maintain staff rosters.
- Assist in the recruitment, selection and professional development of all staff employed by CKITA.
- Hold regular staff meetings to ensure smooth operation of VC.
- Participate as a representative of CKITA at retail and trade expos and conferences when required.
- Attend Visitor Centre Association of Western Australia annual Visitor Centre Manager conference.
- Ensure all staff adhere to the 'CKITA Staff Code of Conduct'.

ESSENTIAL SKILLS

- Excellent computer literacy skills including high proficiency in the MS Suite (Word, Outlook, Publisher, Excel) and internet skills.
- Excellent customer service interpersonal skills – including high levels of communication in person, via email and via telephone and the ability to market and promote the aims and philosophy of the CKITA in a professional manner.
- Experience with MYOB accounting, budgeting and accounts.
- Experience with applying and acquitting grant funds.
- Excellent written and verbal communication skills.
- Ability to work unsupervised.

REMUNERATION

Remuneration is \$30.00 per hour over an expected 60 hour fortnight.

APPLICATION PROCESS

Please provide current Curriculum Vitae, plus written application addressing the duties, responsibilities, experience and skills. Closing date for applications is 3.00 pm Friday 27th March 2015. Commencement date is expected to be in late April.

Applications are to be submitted to –

Visitor Centre Manager - Kerenda Keogh
Cocos Keeling Islands Tourism Association
PO Box 1064
Cocos Keeling Islands WA 6799

Or via email to – manager@cocoskeelingislands.com.au

Make it yours.

Cocos Keeling Islands Tourism Association

MARKETING MANAGER**JOB VACANCY**

The Cocos Keeling Islands Tourism Association is calling for applications from enthusiastic and suitably qualified persons for the position of Marketing Manager. The position being offered is on a contract position from Monday 8th June until Wednesday 21st October with the possibility of becoming permanent at the expiry of the contract.

JOB DESCRIPTION

The Marketing Manager is responsible for the marketing and promotion of the Cocos Keeling Islands and reports to the Visitor Centre Manager, the Cocos Keeling Islands Tourism Association Committee of Management and the Department of Infrastructure and Regional Development (DIRD).

MAIN DUTIES / RESPONSIBILITIES

- Develop and implement the CKITA Marketing Plan.
- Maintain and update the CKITA website.
- Seek advertisers and sponsors for CKITA marketing initiatives.
- Issue press releases and newsletters promoting the Visitor Centre, the Islands and its attractions, activities and accommodation.
- Liaise and support Christmas Island Tourism Association marketing initiatives where appropriate.
- Liaise with State and Federal bodies in relation to marketing and development.
- Liaise and assist with travel and media familiarisation visits, as well as events coordinators.
- Attend trade and consumer shows as highlighted in the Marketing Plan.
- Attend conferences and other travel industry events that will benefit Cocos Keeling Islands tourism.
- Produce and distribute the CKITA Destination Brochure domestically and internationally.
- Seek advertising from local businesses to assist in marketing initiatives.
- Maintain a list of current financial members of the Association.
- Actively encourage new members and support existing members.
- Prepare quarterly reports on marketing activities for the reporting to DIRD.
- Report to the VC Manager regarding tourism projects, marketing opportunities and activities.
- Relief and support within the Visitor Centre as required by the Visitor Centre Manager.

ESSENTIAL SKILLS

- Previous experience in marketing, preferably within the tourism industry.
- Excellent computer literacy skills including high proficiency in the MS Office Suite (Word, Outlook, Publisher and Excel), the internet and Social Media.
- Excellent customer service, interpersonal, written and verbal communication skills – including high levels of communication in person, via email and via telephone.
- Ability to work unsupervised.

REMUNERATION

Remuneration is \$30.00 per hour over an expected 36 hours per fortnight (or as determined from time to time by the Visitor Centre Manager and CKITA Committee in consultation with the Marketing Manager).

APPLICATION PROCESS

Please provide current Curriculum Vitae, plus written application addressing the duties, responsibilities, experience and skills. Closing date for applications is 3.00 pm Friday 27th March 2015.

Applications are to be submitted to –
 Visitor Centre Manager - Kerenda Keogh
 Cocos Keeling Islands Tourism Association
 PO Box 1064
 Cocos Keeling Islands WA 6799

Make it yours.

Our mission is to: Engaging and Working Together Within the Community/Others, Include People in Planning, Developing and Promoting Clients Service, Being Proactive and Building Strength for the Future

It has been a busy and exciting February for the seniors group; they were engaged in Arts & Craft (Door Mat Project) which was shown by Dr Rosemary Lee. It's where they had to use their talented hand to plait a piece of cloth and sew it together on a plain rug into circles/square or any pattern of their choice. They had such a fascinating month. "Thank-you" also to Dr Rosemary for taking her time in sharing her talents with the seniors group.

The Cocos Island Community Service Officer, Seniors Coordinator, and the Cocos Island Seniors Group would like to express their sincere appreciation with a big "Thank-you" to the Cocos Club and Golf Club for letting the seniors use their premises during their West Island visit on Thursday 19th February. The Seniors had such a great day which would not have been possible without your assistance. They showed positive interaction during all the programmes, being active and socialising with the community in all the events and projects planned geared towards improving their health.

We would also like to wish Happy Birthday to one of our seniors, Nek Alan, who turned 86yrs young last week in February and we wish her the best in the many years to come.

The Community Service Office will be closed as from 9th March until 8th April 2015. I apologise for any inconvenience caused. If the matter is urgent please contact the Senior Social Worker Val Coleman on Christmas Island (08) 9164 7829 or 0439 215 346.

Geof's Birds Nest

Here is a migrating Water Cock that we get every year from December to April. The lagoon side of the runway is their usual habitat but the West Island farm and the Home Island banana plantation has these birds this year.

These birds breed in southern China but are resident most of the year in India and Sumatra. This photo was taken at the West Island farm.

10 EASY STEPS TO HELP PROTECT CORAL REEFS

Conserve water: The less water you use, the less runoff and wastewater will pollute our oceans.

Help reduce pollution: Walk, bike or ride the bus. Fossil fuel emissions from cars and industry raise lead to ocean warming which causes mass-bleaching of corals and can lead to widespread destruction of reefs.

Use only ecological or organic fertilizers: These products flow into the water system, pollute the ocean, and can harm coral reefs and marine life.

Dispose of your trash properly: Don't leave unwanted fishing lines or nets in the water or on the beach. Any kind of litter pollutes the water and can harm the reef and the fish.

Support reef-friendly businesses: Ask the fishing, boating, hotel, aquarium, dive or snorkelling operators how they protect the reef. Be sure they care for the living reef ecosystem and ask if the organization responsible is part of a coral reef ecosystem management effort.

Plant a tree: Trees reduce runoff into the oceans. You will also contribute to reversing the warming of our planet and the rising temperatures of our oceans.

Practice safe and responsible diving and snorkelling: Do not touch the reef or anchor your boat on the reef. Contact with the coral will damage the delicate coral animals, and anchoring on the reef can kill it, so look for sandy bottom or use moorings if available.

Volunteer for a coral reef cleanup: Many people visit a coral reef on their vacation. Spend an afternoon enjoying the beauty of one of the most diverse ecosystems on the Earth.

Contact your government representatives: Demand they take action to protect coral reefs, stop sewage pollution of our oceans, expand marine protected areas and take steps to reverse global warming.

Spread the word: Remember your own excitement at learning how important the planet's coral reefs are to us and the intricate global ecosystem. Share this excitement and encourage others to get involved.

Pelayanan juru bahasa disediakan secara percuma dengan menghubungi 13 14 50.

FORTNIGHTLY OM

Inspirational thoughts for a happy, healthy and fulfilling day

Fluid Like A River
Living Like Water

The journey of water as it flows upon the earth can be a mirror of our own paths through life. Water begins its residence on earth as it falls from the sky or melts from ice and streams down a mountain into a tributary or stream. In the same way, we come into the world and begin our lives on earth. Like a river that flows within the confines of its banks, we are born with certain defining characteristics that govern our identity. We are born in a specific time and place, within a specific family, and with certain gifts and challenges. Within these parameters, we move through life, encountering many twists, turns, and obstacles along the way just as a river flows.

Water is a great teacher that shows us how to move through the world with grace, ease, determination, and humility. When a river breaks at a waterfall, it gains energy and moves on, as we encounter our own waterfalls, we may fall hard but we always keep moving on. Water can inspire us to not become rigid with fear or cling to what's familiar. Water is brave and does not waste time clinging to its past, but flows onward without looking back. At the same time, when there is a hole to be filled, water does not run away from it in fear of the dark; instead, water humbly and bravely fills the empty space. In the same way, we can face the dark moments of our life rather than run away from them.

Eventually, a river will empty into the sea. Water does not hold back from joining with a larger body, nor does it fear a loss of identity or control. It gracefully and humbly tumbles into the vastness by contributing its energy and merging without resistance. Each time we move beyond our individual egos to become part of something bigger, we can try our best to follow the lead of the river.

Madisyn Taylor

NOTICE TO HOME ISLAND AND WEST ISLAND RESIDENTS

EnergySafety conducted random gas installation inspection activities on 30 April 2014. These inspections are carried out in an effort to ensure that the gas installations are compliant with the *Gas Standards Act 1972* and its Regulations and are safe to use.

The inspections revealed several items of concern, most of which were identified as part of a previous inspection carried out in 2011.

The non-compliances identified during 2011 and again during the recent 2014 inspections were:

- LP Gas cylinders unrestrained and/or not installed on an appropriate base or base materials;
- LP Gas cylinders located too close to openings into buildings;
- LP Gas cylinders too close to sources of ignition;
- LP Gas cylinders located inside buildings;
- Inappropriate gas regulators (no overpressure protection);
- Flexible gas hose assemblies installed contrary to Regulations;
- Appliance burners located too close to combustible materials;

The Gas Standards Act 1972 requires that these installations are to comply with the Gas Standards (Gasfitting and Consumer Gas Installations) Regulations 1999.

In April 2015, EnergySafety will be conducting random gas installation inspections; Inspector's Orders will be issued to occupants for all non-compliances found during the inspection. The Inspector's Order may prohibit the use of the gas installation until the non-compliances are rectified.

If you feel your gas installation does not comply or is unsafe, EnergySafety recommends you have your gas installation checked by a licensed gas fitter prior to EnergySafety conducting safety audit inspections in the near future.

For information purposes, EnergySafety records indicate there are three WA licensed gas fitters operating in the Cocos (Keeling) Islands, details below:

Greg Cahill GF6718	telephone 0406 329 331 or 08 9162 6660;
Michael Garbin GF3232	telephone 0418 924 344;
Weekley Liedie GF5521	telephone 0406 329 348 or 08 9162 6540;

or you may contact any other WA licensed gas fitter.

Should you have any questions regarding this matter or any gas related questions please feel free to contact Senior Gas Inspector Roy Shearer on (08) 6251 1959.

NOTICE UNTUK PENDUDUK HOME ISLAND DAN PULU PANJANG

EnergySafety menjalankan aktiviti pemeriksaan pemasangan gas secara 'random' pada 30 April 2014. Pemeriksaan ini dijalankan dalam keusahaan untuk memastikan yang pemasangan gas dibuat mengikut Undang-undang dan Gas Standard Act 1972.

Pemeriksaan menunjukkan berberapa perkara yang menguatirkan, kebanyakan yang daripada pemeriksaan dahulu yang dijalankan pada 2011.

Pelanggaran yang dinyatakan dimasa 2011 dan berulang lagi pada pemeriksaan pada 2014 kebelakangan ini termasuk:

- Botol LP Gas tidak dipertahankan (supaya tidak boleh bergerak) dan/atau tidak disediakan tempat alasan yang sesuai atau alat alasan sama sekali;
- Botol LP Gas ditempatkan terlalu dekat dengan jalan masuk kerumah/dapur;
- Botol LP Gas terlalu dekat dengan api;
- Botol LP Gas ditempatkan dalam rumah/dapur;
- Gas regulators (alat jagaan overpressure) yang tidak sesuai;
- Sambungan hos gas yang dipasang melanggar Undang-undang; dan
- Tempat bakaran terlalu dekat dengan alat-alat yang boleh meletop.

Gas Standards Act 1972 memerlukan semua pemasangan mesti mengikut Undang-undang Gas Standards (Gasfitting and Consumer Gas Installations) 1999.

Pada April 2015, EnergySafety akan menjalankan pemeriksaan pemasangan gas secara random; Surat "Inspector's Orders" akan diberikan kepada penyewa yang mempunyai pelanggaran yang didapati dimasa pemeriksaan ini. Surat "Inspector's Order" ini boleh melarang penggunaan pemasangan gas yang berkenaan hingga pelanggaran ini dapat dibetulkan.

Jika kamu rasa pemasangan gas kamu tidak menuruti undang-undang atau bahaya, EnergySafety menasihati untuk menggunakan gas fitter yang mempunyai lesen untuk periksa pemasangan sebelum EnergySafety menjalankan pemeriksaan keselamatan dimasa hadapan.

Untuk keterangan sahaja, rekod EnergySafety menunjukkan ada tiga gas fitter yang mempunyai lesen WA yang berada di Pulu Cocos (Keeling), keterangan berikut:

Greg Cahill GF6718	telephone 0406 329 331 atau 08 9162 6660;
Michael Garbin GF3232	telephone 0418 924 344;
Weekley Liedie GF5521	telephone 0406 329 348 atau 08 9162 6540;

atau boleh menghubungi gas fitter dengan lesen WA yang lain.

Jika kamu ada pertanyaan berkenaan surat ini atau soalan berkenaan gas yang lain, sila hubungi saya atau Senior Gas Inspector Roy Shearer dinomor (08) 9422 5214.

Indian Ocean Group
Training Association

DENTAL ASSISTANT AND RECEPTIONIST Employment and traineeship opportunity

Commencement of employment will be June 2015

Are you a hard worker? Are you keen to study? Do you care about people?

If so, then an exciting opportunity has become available at the Indian Ocean Territories Health Service on the Cocos (Keeling) Islands to train as a Dental Assistant and Receptionist through the Australian Traineeship Program. The Certificate III in Dental Assistant qualification (HLT31812) will teach you the skills needed to assist a dentist, dental hygienist or dental therapist during all health care procedures, to help maintain high standards of infection control and to assist with dental practice administration.

This position is a casual employment contract that requires a total of 19 weeks full-time work to be undertaken on the Cocos (Keeling) Islands per year to coincide with regular dental visits to the Islands. In addition, the successful applicant will be required to travel periodically to Christmas Island to attend relief work and training.

To help prepare Island residents for the interview, IOGTA will conduct a resume workshop. In addition, the Indian Ocean Territories Health Service will hold an information session about the role of a dental assistant working in the Indian Ocean Territories and what is required to complete the traineeship (scheduled for April). These information sessions will be advertised through the Atoll and community notice boards.

Our ideal applicant will have:

- good verbal and written communication skills in English;
- Be able to speak Cocos Malay;
- Be committed, enthusiastic and willing to learn new skills in a team environment;
- Be prepared to attend relief work and training periodically on Christmas Island;
- Be at least 15 years of age (interested people of all ages are encouraged to apply);
- Be an Australian Resident (Australian citizen or hold a permanent visa); and
- Be able to provide their own accommodation on the Cocos (Keeling) Islands.

To apply:

1. Collect an 'Applicant Information Pack' from IOGTA prior to submitting an application. This can be emailed to you on request.
2. Submit an application, which should include:
 - A resume, if you have one;
 - Evidence of date of birth, birth certificate, passport, drivers license;
 - Responses to the selection criteria as detailed in the Applicant Information Pack; and
 - Contact details of two referees.
3. Submit your application by post or hand delivery at the below address, or email Brendan O'Brien at brendan@training.edu.cc.

Applications close 20 April 2015

Government of **Western Australia**
Department of **Fisheries**

Fish for the future

Fisheries fun facts

Under a Service Delivery Agreement with the Department of Infrastructure and Regional Development, The Department of Fisheries WA (DoF) manages commercial fishing, recreational fishing and aquaculture activities at the Indian Ocean Territories (IOTs).

Since 2006, DoF has conducted research on commercial, recreational and iconic fish species, as well as fish habitats and invertebrates. Results of this research can be found at www.fish.wa.gov.au/IOTs

DoF would like to share the research results and some *Fun Facts* on species found at the IOTs with the community. Watch this space!

Sweetlip

The common name 'Sweetlip' is used in the IOTs to describe a couple of emperor species; the orange-striped emperor (*Lethrinus obsoletus*) and the yellowlip emperor (*L. xanthurus*). Both species require a lagoon environment for the recruitment phase of their life cycle, so are more commonly found at Cocos (Keeling) Islands and not Christmas Island.

Yellow Lip Emperor (Sweet lip)

Sweetlip are believed to spawn after dark, following a local migration to either sheltered lagoons or on the edge of exposed reef. Reproductive activity generally peaks around the time of the new moon. Growth rings on otoliths (ear bones) have been used to determine the age of emperors. Most species appear to live at least 15 years of age and some may reach twice this age.

Yellowlip emperor are heavily targeted by recreational fishers at Cocos (Keeling) Islands, so populations need to be monitored in the future to ensure their sustainability.

Feel free to contact Kim Boothman, Community Education Officer for the IOTs, at any time on Kim.Boothman@fish.wa.gov.au or Work: 9203 0345/Mobile: 0418 915 281.

Fakta Fisheries Yang Menyenangkan

Dibawa Service Delivery Agreement dengan Department of Infrastructure and Regional Development, The Department of Fisheries WA (DoF) mengurus pemancingan 'commercial', pemancingan rekreasi dan aktiviti aquaculture di Indian Ocean Territories (IOTs).

Semenjak 2006, DoF telah menjalankan penyelidikan dalam commercial, rekreasi dan jenis ikan-ikan ikonik, termasuk tempat tinggal ikan dan invertebrates. Hasil daripada penyelidikan ini boleh didapati di www.fish.wa.gov.au/IOTs

DoF ingin berkongsi hasil penyelidikan dan beberapa "Fun Facts" berkenaan jenis-jenis yang didapati di IOTs dengan masyarakat. Jaga halaman ini!

Kapkuning

Nama biasa 'Sweetlip' digunakan di IOTs untuk menandakan beberapa jenis kakap; kakap biasa (*Lethrinus obsoletus*) dan kapkuning (*L. xanthurus*). Kedua-duanya memerlukan alami lagoon untuk membuat bibit dalam hidup mereka, jadi biasa didapati di Pulu Cocos (Keeling) dan bukan Pulu Christmas.

Kapkuning dipercayakan untuk betelur setelah malam, selepas memindah dari bahagian-bahagian tertentu dilagoon atau ditepi baria. Ikan ini membuat bibit paling gencar bila masa bulan baru. 'Growth rings' ditulang kuping telah digunakan untuk mengetahui umur kapkuning. Kebanyakan jenis-jenis ini biasa hidup sekurang-kurangnya 15 tahun dan ada yang sampai dua kali lipat lamanya.

Kapkuning sering mancing oleh pemancing di Pulu Cocos (Keeling), jadi jumlahnya mesti dijaga untuk memastikan ketetapan mereka.

Silahkan hubungi Kim Hands, Community Education Officer untuk IOTs, bila-bila masa saja di Kim.Boothman@fish.wa.gov.au atau Kerjaan: 9203 0345/Mobile: 0418 915 281.

Media Release

Minister for Indigenous Affairs

Senator the Hon. Nigel Scullion

Leader of the Nationals in the Senate
Country Liberals Senator for the Northern Territory

Thursday 5 March 2015

Labor wrong over IAS funding

The Abbott Government has not slashed frontline services in announcing its Indigenous Advancement Strategy (IAS) grants funding round as claimed by Labor.

Minister for Indigenous Affairs Senator Nigel Scullion said claims today by Federal Member for Lingjari Warren Snowdon and Senator Nova Peris that the Katherine Women's Legal Service (KWILS) has had its funding withdrawn are wrong.

"KWILS lodged an application for funding to provide legal services for Indigenous women, which was successful.

"KWILS did not receive funds for supplementary legal services because they did not apply for it.

"My Department will continue discussions with KWILS and we will ensure that there are no gaps in services.

"This service also receives other Government funding to deliver services to the Katherine community.

"For Labor to say that women who are victims of domestic violence will not get any support is nothing more than scaremongering.

"We have been very mindful in making decisions as part of this funding round and remain committed to improve the lives of Indigenous people.

"The Abbott Government has committed \$860 million dollars in IAS funding to ensure this happens."

Cocos Islands Golf Club News & Results

A big thanks to our awesome volunteers who turned up for our Busy Bee on Saturday 7th March. It was great to see so many, and we crossed lots of jobs off our list.

Every green was compacted and back broomed, our bunkers are looking fantastic and the Donga and Club Hire shed are looking great.

The Cocos Islands Golf Club is a fantastic club to be involved in - if you would like to become a Member, please ask for a form when the Donga bar is open.

Healthy Living Tips

6 Food for Healthy Sleep Eat Good & Sleep Tight

Following is a small list of some healthy food options, which can provide you with a good-night sleep:

Cherries - Cherries are also quite famous as a sleep regulator because of its ability to manipulate your body clock. It's a rich source of melatonin, which is known as a hormone manufactured by the pineal gland in your brain.

Warm Milk - A glass of warm milk before bed is filled with amino acids as well as tryptophan, which transforms into serotonin. It has the ability to provide a calming influence in your brain. Milk is also quite a popular option as a rich calcium provider.

Banana - Potassium along with magnesium is very popularly known as a natural muscle relaxant & banana is a rich supplier of both of these. So having a banana is really helpful in getting you a good night's sleep.

Handful of Almond - Mostly we like to have almonds after waking up in the morning, however, try this before going to sleep. Just like some other foods, this is also a rich provider of magnesium, which can help you to get some quality sleep time. Almonds are also quite effective in controlling your blood sugar levels during sleep.

Flax Seeds - Flaxseeds are a rich supplier of tryptophan as well as magnesium & omega 3 acids. As we all know tryptophan provide help in excreting serotonin & magnesium and can be used as a muscle relaxant, omega 3 acids are also quite effective in lowering your depression as well as anxiety. So the combined effects of all these sources can fulfil your dream of a nice night's sleep.

Honey - Specialists believe that a spoonful of honey is an effective option for getting a good night's sleep. Presence of natural sugar in honey helps to expand the insulin level & let the tryptophan go into your brain, which can release some relaxing chemicals. Deficiency of glycogen in your liver during the night can also allow your body to release some stress hormones. Consumption of honey is really an effective option for storing glycogen.

These are a list of some foods which can help you to get a good night's sleep. You can also add walnuts, sweet potatoes, etc. in this list too. Always remember that your consumption should finish at about 45 minutes before bed time.

More tips in next edition...

2015 Trade Winds Season

Celebrate the beginning of the Trade Winds Season by participating in, or spectating at one of the many sailing events over the April school holidays, including ASDD and the inaugural Cocos Islands Regatta Championship.

The Cocos Islands Jukung and Sailing Club in conjunction with WA Dept of Sport and Recreation, have engaged sailing instructor Alvaro Proietti. Alvaro is a qualified instructor with Yachting Australia and WA Yachting. He will be assisting interested residents and members on Home Island and West Island (children, youth and adults) in Levels 1 and 2 Learn how to Sail. In addition to this, he will also be training student sailing instructors to become qualified sailing instructors.

Alvaro started sailing at the age of six, sailing the optimist class and participating in various competitions, including state and national championships other than normal club racing. He continued sailing throughout his early twenties and moved his way up to 420, laser and fireball, before moving to Australia in 2010. His coaching experience started in 2003 coaching laser and learn to sail program for all ages. From 2010 his has worked in various yachting clubs in Sydney and Perth, coaching class as 420, laser and optimist.

The vessels to be used for this program are the 4 Hobi Bravos for the inexperienced sailors and 6 new Hobi T2's for those wanting to expand their basic sailing skills into racing.

All residents or visitors are welcome to attend any sessions as a member of the Cocos Islands Jukung & Sailing Club, yet please register your interest **BEFORE 30th APRIL** by contacting Nek Neng or Hj Zaitol for Home Island sessions or Tony Lacy for West Island sessions.

GROUP 1: All children under the age of 12, or beginner youth/adults and student instructors.

GROUP 2: All youth over the age of 12, or beginner adults and student instructors.

Brain teaser Central!

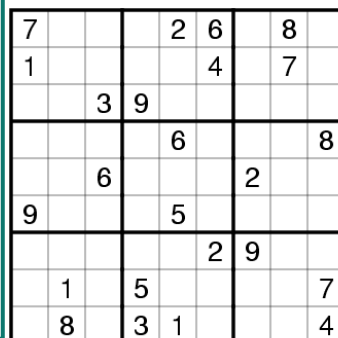

Sudoku Station

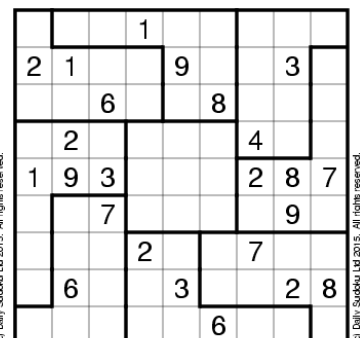

How do I do it?

The object is to insert the numbers in the boxes to satisfy only one condition: each row, column and group of squares enclosed by the bold lines must contain the digits 1 through 9 exactly once.

The rules for different size and shape puzzles are pretty much identical. The different size puzzles simply require a different set of numbers.
