Your local connection

Tip#7

How to enable your WiFi Calling on your phone

With Wi-Fi Calling, you can make or receive a phone call if you have a Wi-Fi connection in an area with little or no mobile coverage. Find out how to make a voice call using Wi-Fi Calling.

It is smart and efficient too!

Apple Phones

- 1 Go to settings**
- 2 Select WiFi Calling**
- 3 Turn on WiFi Calling**

Android Phones

- 1 Open Phone App**
- 2 Select More or **
- 3 Select Settings**
- 4 Turn on Wi-Fi Calling**

**This is not guarantee to work on all phones. If it works great, if it doesn't you can still use chat apps to make a call such as WhatsApp or Facebook messenger.*
